FOREWORD

The year 1975 is now history and we are on the morningside of year 1976. Therefore, it seems appropriate at this time for us to say thank you to all the Town Officers, Department Heads and people who have participated in making the past year a very combined, concentrated and, hopefully, efficient effort. The harmony, coordination, integrity and dedication has been unquestionably of the highest calibre. Needless to say, without these personal qualities, even our small Town of Goshen cannot survive. Therefore, let us once again say thank you to all who have genuinely participated in making our past year a year of progress and tranquility.

To the Selectmen: Town of Goshen,

AUDITOR'S REPORT

Pursuant to and in accord with the provisions and instructions of the New Hampshire Department of Revenue Administration, Municipal Services Division, I have examined the records, ledgers and accounts of the Tax Collector, Town Clerk, Board of Selectmen, Trustee's of the Trust Fund and the Revenue Sharing Fund, all of the Town of Goshen. With the exception of the Trust Fund Accounts, I found them to be balanced, accurate and in compliance with good and acceptable accounting practices.

The Trust Fund accounts could not produce proper vouchers for expenditures of income, however, all expenditures were properly accounted for. Action that is being taken by the present Trustees, will eliminate this problem in the future.

I have certified the foregoing fact to the proper authorities of the State of New Hampshire and do so here.

E.J. Carrick, Auditor

REPORT OF THE FIRE DEPARTMENT

In 1975 the Fire Department answered 9 calls with 83 men responding. Reported loss from fire was \$1,890.

As in past years our equipment has been maintained, training and drill meetings have been attended, and some equipment replaced and added as our budget has allowed. In 1976 we hope to be able to replace the cab and chassis on our tank truck. There is now \$3,567.31 in our equipment fund for this purpose.

Again in 1975 the Fire Department sponsored a Fire Prevention Contest with the students at Goshen-Lempster School participating in coloring, posters, and essays. Cash prizes were awarded.

The Firemen's Auction and other fund raising activities earned \$1,300. in 1975 for our equipment fund.

We are continuing our Home Fire Extinguisher Program and if anyone desires information on home fire extinguishers or home fire alarm systems we are qualified to advise you of quality products available. This year the Department hopes to present a Home Fire Extinguisher Training Program to interested citizens of Goshen.

Your Fire Department is also qualified to advise you about chimneys and wood stove installations (oil and gas too). PLEASE, if in doubt, seek advise BEFORE you install your stove or heating unit.

Please accept my sincere thanks to the firemen for their many hours of help and cooperation and to the citizens and taxpayers of Goshen for their interest and participation in Fire Department activities.

Respectfully submitted,

Edwin I. Baker, Chief

REPORT TO TOWNS

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

TRUSTEES OF THE OLIVE G. PETTIS LIBRARY REPORT

The officers of the Board of Trustees of the Olive G. Pettis Library elected in April were Thomas Durham, Chairman, and Elizabeth Nelson, Secretary-Treasurer. Mrs. Thelma Carrick became a member of the Board and Edith Pike was re-elected.

The ceiling insulation was installed during April. The cost being \$35.00 more than the \$150.00 allotted by the town, the Friends of the Library reimbursed us. The Friends of the Library also took care of the cost of the storm windows and doors. We are very grateful to them for their gifts throughout the year. The Book Fair in July sponsored by them was again successful. Books were donated to the library and to the fair by many townspeople and also by Mr. and Mrs. Paul Majoros of Newport.

The Western District library meetings in Newport and Keene have been attended by Thomas Durham and Mrs. Thelma Carrick. Mrs. LeClair has attended three Book Selection Displays during the year.

Two book buying trips were made by the librarian and members of the board.

Free movies were shown each Wednesday evening throughout the summer months, although fewer than usual attended.

Food sales each month sponsored by the Friends of the Library to raise money to purchase a new set of Encyclopedias were started in November with the librarian as chairman and will continue until the required sum is raised.

Fines of \$11.80 have been collected. The balance on December 31, 1974 was \$16.11 making the total \$27.91. Postage of \$11.59 and mowing lawns at \$10.00 leave a balance of \$6.32 in the petty cash fund.

Circulation figures show a total of 664 books borrowed during the year.

Elizabeth T. Nelson, Secretary

REPORT OF THE GOSHEN HISTORICAL SOCIETY NHAR BICENTENNIAL COMMITTEE

A great deal has been accomplished by our Goshen Bicentennial Committee since its formation early in 1975. A grant was awarded us by the New Hampshire American Revolution Commission in Concord, to be matched by local funds and used for the accepted Bicentennial project of replacing the weatherbeaten wooden soldiers' memorial plaque with a lasting one of bronze. The \$500 voted by the town for Bicentennial projects was used, supplemented by \$500 from the Goshen Historical Society which completed the necessary local matching fund. The plaque has been completed and will be attached to the monument and dedicated at some time in the Bicentennial year. The Goshen History Supplement material has been completed and will be published as soon as a printer can be found who will print it at a reasonable cost. A committee is working on the project of a suitable marker for the area of the early pioneer cemetery on the Province Road. These last two projects are expected to be completed in 1976. The project of a clearly marked trail to the Pierce Lead Mine was completed and used for the annual hike on Old Home Day, 1975.

The official Bicentennial flag was presented to Goshen at a ceremony in June, 1975, for which occasion the townspeople had newly decorated the town hall, having met the previous week in a tremendous work bee to accomplish it. Our town received the thirtieth Bicentennial flag in the state.

At the Old Home Day in October, 1975 a Bicentennial queen and princess were chosen and will reign over Bicentennial events which are being planned.

I sincerely thank all those who have worked with me to make all these foregoing events and projects successful and possible. I look forward to their continued interest and cooperation.

Doris C. Newman, Chairman

POLICE DEPARTMENT

During the first ten months as Chief of Police, the department has turned in a total of 2,668 miles travel and 463½ hours of work. We investigated a total of 11 motor vehicle accidents, 1 drowning and 4 breaking and entering. We issued 12 summons and had 12 convictions as a result of running radar checks. There were also numerous dog complaints.

We were able to add a few new pieces of equipment. The Rand Pond Protective Association gave the department a Polaroid camera which is a great help in giving visual evidence in many different circumstances.

A government grant in the amount of \$1310 for a hand held radio was applied for in October. This grant was approved December 12 and we should receive this new radio sometime in March 1976 with a cost to the town of \$63.00.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Goshen-Lempster Cooperative School District:

ENROLLMENT . . .

The present number of students totals 133 in Grades 1-8.

Fifty-three students are attending high school: one at Keene, two at Claremont, and fifty at Newport.

Mention should be made of the increase in enrollment since September 1975. The September figure of 121 has now risen to 133 - an increase of 12 students - or 10%.

PUPIL STATISTICS . . .

Grades	1	2	3	4	5	6	7	8	9	10	11	12	Total
Goshen-Lempster	13	15	11	20	15	18	17	24					133
Claremont										1		1	2
Keene										1			1
Newport									9	16	13	12	50
													186

STAFF . . .

There are no changes this year in regular staff positions. An expansion of services was provided by employing an Art instructor for one day per week.

Increased federal funding under E.S.E.A. Title I has made it possible to employ a specialist in Learning Disabilities on a two-day per week basis and a full-time Aide to assist in working daily with the students identified for this help.

Name	Training Institution	Degree	Total Yrs. Teaching Thru June 1976	Total Yrs. at Goshen-Lempster thru June 1976
David Cronin Teaching Principal Grades 6, 7, 8				
English-Soc. Studies	Columbia Univ.	M.A.	20	2
John Bonfiglio Grades 6, 7, 8 Science-Math	University of Mass.	B.A.	2	2

Ann Schroeder				
Grades 4 & 5	Wayne State College	B.A.	4	2
Jan Bradeen	Whitworth College			
Grades 2 & 3	Keene State College	B.A.	12	10
Nancy Rickard				
Grades 1 & 2	Keene State College	B.E.	2½	2½

Other full-time personnel include:

Elizabeth Lohman	— Aide
Ronald Purmort	— Teaching Aide (Title I - Federally Funded)

Part-time personnel are:

Alan Peterson	— Music
Jeannette Struble	— Art
Therese Kramer	— Learning Disabilities (Title I - Federally Funded)

These added instructional services should aid immensely in up-grading the training in the early years of schooling and make for a better adjustment to secondary school for some students.

With 154 school districts in New Hampshire operating elementary schools, 126 had a higher per-pupil cost and 27 had a lower per-pupil cost in 1974-75.

FINANCES . . .

Some mention of comparative school costs may be of interest.

Based on the 1974-75 school year:

State Elementary Average	— \$950 per pupil
Goshen-Lempster Elementary Average	— \$707 per pupil

BUDGET . . .

An attempt has been made by the School Board to keep the expenditures within reasonable limits in spite of continued rising prices and especially in light of the substantial increase in enrollment. This has caused the re-arrangement of bus schedules and the addition of a third route.

The greatest increase (\$14,500) comes in high school tuition charges. An increase over last year of ten students in Grade 8 (14 to 24) makes it necessary to provide the funds for this large group to enter Grade 9 next fall. This is coupled with an increase in tuition charges at each of the receiving high schools. Rates per students for 1976-77 are as follows:

Claremont	\$1,425.00
Keene	\$1,478.00
Newport	\$1,215.71

CONCLUSION . . .

Auxiliary services are being provided in a very satisfactory manner — transportation and custodial services by Mr. and Mrs. Charles Newton. The Lunch Program is now managed by Mrs. Janie Miller and is operating within the limits of a tight food budget.

The school program includes many worthwhile projects and activities which are detailed in the Principal's Report. I am pleased to commend the staff for both the interest and time devoted to many "extras" that go to enrich the school experience of the students.

Respectfully submitted,
Gordon B. Flint
Superintendent of Schools

REPORT OF TEACHING PRINCIPAL

In a continuing effort to provide for individual differences among students, the pattern of organization in curriculum offerings was expanded to accommodate a more flexible grouping situation dealing with reading abilities of students. Each faculty member engaged in a broader teaching load involving a level capability program. This involved the placing of students (grades 4-8) in various subject matter categories according to their reading comprehension levels. Significant success was noted in this first-year trial organization. Teachers were assigned as follows:

- Nancy Richard - 1st and 2nd grade
- Jan Bradeen - 2nd and 3rd grade, and including a 4th grade group in Social Studies
- Ann Schroeder - 4th grade in Language Arts, Math, Science, Reading; 5th grade in all subjects, and 6th grade in English.
- John Bonfiglio - 6th, 7th, and 8th grade science and math, but working in groups spanning a wide level capabilities of students
- David Cronin - 6th, 7th, and 8th grade Social Studies and English, also working in groups spanning a wide level capabilities of students.

Within each subject level were a number of students either from a lower or higher grade, based on individual difference of learning ability.

The availability of additional funds through TITLE I, ESEA made possible the employment of a special Learning Disabilities Teacher, Mrs. Therese Kramer through a cooperative arrangement with Newport. Under Mrs. Kramer's direction, a full-time Aide, Mr. Ronald Purmort, was added to assist Mrs. Kramer in activities dealing with math, reading, and other learning disabilities.

Betty Lohman returned to her duties as Library Aide, but this year's full-time employment included duties as receptionist, and Aide to the Principal - and to other staff members as directed by Mr. Cronin.

With the addition of an Art Teacher, Jan Struble and a music teacher, Alan Peterson, we came close to realizing the N. H. Minimum Standards for Elementary Schools. Each comes to the school once a week to work at all grade levels.

Mrs. Jane Miller replaced Mrs. Hooper as cook for the hot lunch program and continues to provide delicious and nutritious meals.

In addition to serving lunches, our Cafetorium is used for peer tutors, music and art activities, sewing, supervised student meetings for projects, and recess periods when indoor activities are in order. During these inclement days, ping-pong equipment is provided.

In class and during activity periods, students were involved in Fire Prevention Week, Honor Society Programs for the Newport Nursing Home, and participation in such programs as the Lempster Bicentennial at which a 7th and 8th grade play was presented.

Among the field trips scheduled included (1) the Newport Library (expanding our Library Science offering). (2) visits to book displays in the area by Mrs. Lohman and her library students, (3) the traditional Eighth Grade Class Trip - last year an educational tour of New York City, and (4) a trip to Squam Lake Science Exhibition by Mr. Bonfiglio's class.

I would like to express my thanks and appreciation to the faculty and auxiliary teaching staff and aides for their work in helping to create a good student-learning climate. Sincere gratitude goes out to parents, guardians, and friends of the Goshen-Lempster community, as well as to the school board and administration for their support in providing good education for all our children.

Respectfully submitted,

David Cronin

Teaching Principal
